

# *Roads Committee Report*

*Rob Bell*

Unfortunately the original chair for this committee, Richard Teahen, had to resign for health reasons this past March. I have taken over as interim chair.

Richard has left a valuable legacy on our website:

<https://www.mlakes.org/private-roads>

Here you will find: a map of all the road associations around the lake, how to set up a road association with example bylaw, discussion of liability issues, and information regarding how to deal with residents who refuse to pay their annual dues along with many other valuable private road related articles.

- The way ahead...
  - The Roads Committee has met 4 times in April and May 2020
  - We will be continuing the efforts inspired by Richard with respect to the Private Roads Equalization Payment program. See <https://www.mlakes.org/projects-and-initiatives>
  - We are also establishing an email list specifically for Road Reps around the lake. Let me know if you would like to be included by sending an email to: roads@mlakes.org
